SUMMARY

I am currently pursuing a B.Tech degree in Artificial Intelligence at Sage University, Bhopal. My profound passion for Artificial Intelligence and data analytics drives my academic journey. As a dedicated student and a Data Analytics Enthusiast, I am deeply committed to continuous learning. I am eager to leverage my knowledge and enthusiasm to contribute meaningfully to future endeavors.

EDUCATION

Bachelor of Technology (B.Tech) in Artificial Intelligence

- Sage University, Bhopal
- Expected Graduation: 2025

Higher Secondary Certificate (HSC)

- Kendriya Vidyalaya, Seoni Malwa
- Year of Completion: 2021
- Scored an impressive 90% in Class 12 examinations conducted by the CBSE board, highlighting dedication and strong academic performance.

SKILLS:

I have actively engaged in hands-on projects to develop practical skills.

These projects include:

- **Instagram Data Web Scraping:** Successfully designed and executed a web scraping project to extract and analyze Instagram data, demonstrating proficiency in data acquisition techniques.
- **Machine Learning Models:** Developed and implemented various machine learning models, showcasing problem-solving abilities and a strong understanding of AI concepts.
- **Commercial Website:** Designed and created a commercial website, demonstrating web development skills and a creative approach to user-friendly design.
